Lori Overcash

TEACHER

My name is Lori Overcash. I was born and raised in Alexander County and currently reside in the Sugar Loaf community. I have been very happily married to my wonderful husband, Shawn, for 24 years. He is a computer engineer for a web design company in Hickory. We have been blessed with 3 amazing children: Luke 19, Noah 17, and Mary-Elise 14. We have somehow ended up with 4 dogs and a hamster that add both joy and a little bit of chaos to our lives.

Our family attends Poplar Springs Baptist Church where I have been a member for 17 years. We are faithful members with my husband serving as a Sunday school teacher and myself as one of the church secretaries. My home church is Little River Baptist Church, where the Lord saved me as an 11 year old girl. It has been my desire to live a life that is pleasing to the Lord as well as point others to the saving grace of Jesus since that day.

I graduated from UNC-Charlotte in 1997 with a BS in Psychology with an emphasis on Child Psychology and a minor in Biology. I have been employed at Sugar Loaf Elementary for the past ten years, where I did remediation through the Title 1 program. In this capacity I worked with students in all grade levels. I helped these children to become more proficient in all academic subjects including Reading, Math, Science, etc. I feel I am called to work with children and it is my desire to see them all become the best that they can be for Christ and in life.

Outside of work, My time is spent mostly with family and church. I also enjoy swimming, hiking and I am a avid reader. I love football and enjoy watching it whenever I can. I am also a Disney fanatic and love to travel to Disney World with my family.

I am very excited to be a part of the Millersville Christian Academy. I am looking forward to being a part of the great things God has in store for this ministry. God is GOOD!!!
