

MILLERSVILLE

CHRISTIAN ACADEMY

Tammy Watts

TEACHER

I am so excited about teaching first grade at Millersville Christian Academy this year! We will be learning lots of things, having fun, and serving our wonderful God! I am married to Rod Watts, have two children named Jessica and Reuben, and two grandchildren named Riley and Knox.

I have lived in the Sugar Loaf community my entire life and graduated from Alexander Central High School, then Appalachian State University with a degree in elementary education. I come from Sugar Loaf Elementary School with 30 years experience teaching young children. I am a faithful member of Three Forks Baptist Church. I also enjoy hiking and reading, flowers, plants, and animals.
