CHRISTIAN ACADEMY

AMANDA CARSON

STUDENT INFORMATION DATA MANAGER

Hello! My name is Amanda Carson. I was born and raised in Wilkes County and currently reside in the Vashti Community with my husband Steven and our two boys: Jacob and Joshua. Together, we worship and serve at Rocky Face Baptist Church. My husband is the pianist and I am the choir director.

I graduated from Wilkes Community College in 2009 with an Associate's Degree in Arts. I started in the public school system as a lunch lady and bus driver, and later became an Exceptional Children's Teacher Assistant. Most recently, I've worked for the past two years as the Data Manager at East Alexander Middle School.

Christ entered my life when I was 16 during a time of doubting, questioning, and running from God. Choosing to live for Him was the absolute BEST decision I have ever made in my entire life. He has never once let me down and has proven Himself time and time again.

He moved in mighty ways to bring me here, and I see how he has prepared me over the years for this role at MCA. I praise Him and am so excited for all that He's bound to do this year.

"Be still and know that I am God." Psalm 46:10a
