#### **INTERVENTIONS & EXTENSIONS TEACHER**

My name is Vickie Bare. I was born and raised in Georgia but have lived in North Carolina for over 30 years. I am married to the love of my life: Kenny Bare. I have one son, Michael, and two grandchildren: Michael III and Gracie.

This year will begin my 27th year in education and it is a second career for me. I love what I do and feel teaching children is a calling God placed on my life. I am blessed to be serving students as the Interventions and Extensions Teacher at MCA.

Kenny and I are active members of Calvary Baptist Church in Taylorsville. The greatest blessing in my life is my salvation. God saved me 46 years ago and I had the unique blessing of sharing that glorious day with my sweet daddy who has gone on to be with the Lord!

*“The LORD is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower.” Psalm 18:2*
